Invitation for Golden Jubilee Celebration

Dear Alumni,
Heartfelt Greetings for one and all !!!,

We are Blessed to be a student of this college. The College of Home Science was established in 1966 and is the pioneer institute of the state. This prestigious college has been serving the educational needs of thousands of girl students all over the Country. Those who completed their graduation/post graduation/Ph.D. from this institute are well settled in their life as Teachers, Lecturers, Scientists, Entrepreneurs, Social Workers, Counselors, Administrators, Home Makers, and in many other capacities. *The college is going to celebrate the Golden Jubilee celebrations in the third week of January 2016 (23rd and 24th January).* *In this connection I invite all the alumni of the college, to participate in the celebrations and make it a grand success.*

The encouragement and support of the alumni, their parents, and the elite of the town, helped a lot in the growth and development of the institution. The role of all those people who have worked for the past 50 years, and people who are working in the present is worth mentioning in strengthening the pillars of the institution. The tree has been growing strong with the spreading of its branches, and has disseminated the products throughout the globe. The institute is proud of the alumni for all the achievements and consider them as the true ambassadors of the institute.

Make it a pleasing responsibility not as pain to visit the motherly Institute again, that is entering it's 50th year in 2015-16, with many memorable achievements. Please enroll yourself (If not done) as alumni, and furnish required information in the attached Registration form and Data Base

You are requested to take care of certain things while stepping up:

- Give your consent latest by **30th August ,2015** positively to facilitate the organizers.

Dr. Neena Gaur
9983100054

Dr. Rajshree Upadhyay
9460487639
